

Jasper Freeride 2016-2017 Season

Development Team (12 years and up)

Program Description:

At this level, it is highly recommended that athletes participate in the 2 day, Saturday and Sunday program. This program is individualized for each athlete according to his/her objectives. It is meant to progress the athletes successfully to meet their goals into provincial level competition. This program has a high standard of technical execution and will progress the athlete to achieve advanced freestyle skiing skills. The coaches at this level have significant freestyle coaching experience in developing high caliber athletes and are highly certified under Canada's freestyle coaching program (CFSA). The athletes will have the opportunity to create goals in all the freestyle disciplines of Moguls, Big Air, Slopestyle, and Big Mountain. The goals of the Development Gold Program are to develop the athlete's objectives at his/her own pace, within the appropriate skill level and expose the skier to a variety of freestyle disciplines.
