Additional Notes	
1	Christmas Camp (3 days) are included in the registration and approx. # of days
2	Training days that occur outside of the scheduled Saturday and Sunday will be applied to the approx. # of Days. If the accumulated # of days goes beyond the approx. # of days there will be additional charges at \$80 per day per athlete.
3	Off Marmot Basin competitions and training will most likely have additional costs that athletes will need to incur. Additional costs may be required to cover coaching costs: wages, travel related costs, accomodation costs, meals, and lift tickets. JFST will endeavour to partially subsidize on a case by case basis, and will calculate the share costs to athletes based on the number of athletes that participate in the competition or training.
4	Dteam level athletes that choose to be compete in moguls and in addition to moguls (HP - halfpipe or BA - big air or SS - slopestyle). Competitions may occur at different weekends than when mogul competitions occur. When additional coaching is required, the club will review on a case by case basis and will determine if there will be additional costs to the athletes to cover coaching expenses.
5	Volunteer deposit is required at the start of the season. Either \$250 E-transfer or cheque is acceptable. All families must contribute volunteer hours to receive credit toward the return of the deposit. Credits earned for, mogul course construction and maintenance, competition duties, banquet setup and cleanup, etc. There are many oppourtunities for skiers and non-skiers to help out.
